

1.0 THE ROLE OF THE COACH AND SPORTSMANSHIP

As a Volunteer, Coach, Team Parent within the Dinsmore Sports Association, must be an individual who is well respected in the community, understands and can teach the game of baseball and can be an organized leader. The coach is the individual who deals directly with the youth players of DSA and controls the situation to the degree of how much benefit the participants will receive from the program. Since the coach is the individual having direct contact with the players, they become one of the most important persons in determining the success of our youth and the league.

DSA's goal is to build good sportsmanship, skill level, and love for the game.
The highest potential of sports is achieved when competition reflects sportsmanship.

The sportsmanship code of Babe Ruth Baseball and Dinsmore Sports Association is:

- Develop a strong, clean, healthy body, mind and soul.
- Develop a strong urge for sportsman-like conduct.
- Develop understanding of and respect for the RULES.
- Develop courage in defeat, tolerance and modesty in victory.
- Develop control over emotions and speech.
- Develop spirit of cooperation and team play.
- Develop into real, true CITIZENS...
